Dear Darrell,

Thank you for your letter and associated information regarding your proposal to establish a Specialty Golf Programs Facility on the Sunshine Coast.

It is unfortunate that we don't have the facilities to assist you in delivering your program or that the layout of our golf course is not conducive to your participants.

Having witnessed the work that you are doing and being a community organisation, Nambour Golf Club supports your endeavours and we believe such a facility would be a worthwhile community asset on the Sunshine Coast.

We look forward to the opportunity of working with you.

Yours faithfully

Peter Black
President
