Golf Programs Australia Incorporated

To Whom it May Concern,

We are proud to be associated with Golf Programs Australia Incorporated (GPAI) as a community partner – highlighted in recent times by participating in their Golf Charity Day.

The team at Maroochydore Branch are excited about having such a community partner, and are currently looking at ways in which the Bendigo is able to support and grow the partnership further.

At the Bendigo, we focus on building and improving the prospects of not only our customers, but also of our communities. And our communities will not grow and prosper without the energy, focus and expertise of community organisations – just like GPAI.

We have been thrilled to have been able to support in a small way. We realise that Darrell and Michelle have bigger plans for GPAI, which if successful, will be of great value to those in the community with intellectual disabilities, as well as the broader Sunshine Coast community.

We have great admiration for the work and passion of Darrell, Michelle and all associated with GPAI. We are a proud community partner, and wish them all the very best in their endeavours in the future.

Yours sincerely,

Robert Chittick

Regional Manager
