Mr. Darrell Dalton
Golf Programs Australia

To Whom It May Concern

I am writing to express our support for Golf Programs Australia Inc. (GPAI) and their efforts to secure funding for the development of an inclusive golf facility on the Sunshine Coast.

I am aware that the program GPAI have thus far offered on the Coast has been very popular and this new initiative holds great promise for the engagement of people with disability.

The opportunities for meaningful work, appropriate training and skills development that this project will offer will make a substantial difference to the lives of a number of people in the Sunshine Coast community.

As well, the range of valued roles that this program will offer in such a healthy and positive environment will add measurably to the quality of life of participants and I commend Darrell for his initiative in the development of the concept.

I would be pleased to provide more information should it be of assistance.

Yours faithfully,

Peter Farnham
Manager
