## GPAI Treasurer & Volunteer

Gus Peni is the GPAI Treasurer and began as a volunteer and assistant coach for the Special Olympics GPAI Golf Program in 2015. Gus graduated from the University of the Sunshine Coast with a degree in business & accounting and was subsequently offered an opportunity to join the GPAI Board in 2016. Originally from Papua New Guinea, Gus relocated to Australia as a teenager with his adoptive Australian mother and currently works with another Sunshine Coast Charity — Neighbours Aid. Gus is a great supporter of GPAI and his passion for helping those less fortunate than himself is reflected in all he does.
