RE: Letter of Support for Golf Programs Australia Inc.

To Whom It May Concern:

On behalf of Golf Queensland, I am writing this letter in support of Golf Programs Australia Inc. (GPAI) proposal to develop a golf facility to deliver Golf Program Australia's Specialty Golf Initiatives.

Golf Queensland is currently working with its affiliated Clubs to support and encourage the development of inclusion opportunities and activities within the sport, i.e. Community Coaching Courses, Club Clinics and Events. GPAI is committed to this program and provides excellent opportunities for Indigenous Australians and people with an intellectual disability to participate in golf.

GPAI has demonstrated commitment to working with their local communities to ensure golf is a sport that welcomes people from all walks of life and provides people of all abilities to play the game. It gives me great pleasure to now support them in their application and I look forward to continuing work with Golf Programs Australia.
